INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR § 1.97(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In compliance with the Applicants' duty of disclosure under 37 CFR § 1.56, 37 CFR §§ 1.97 and 1.98, the references listed in the attached forms PTO-1449 were of record in a pending application of the same assignee and are brought to the attention of the Examiner as they may be of interest to the subject matter disclosed in this application. Copies of the listed references are enclosed, except for U.S. patents or published applications.

The items identified in this Information Disclosure Statement may or may not be "material" pursuant to 37 CFR § 1.56 and the submission thereof by Applicants shall not be construed as an admission that any such patent, publication or other information referred to therein is material or considered to be material (37 CFR § 1.97(h)), or even qualifies as "prior art" under 35 USC § 102 with respect to this invention unless specifically designated by Applicant as such.

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information, as defined in 37 CFR § 1.56, exists.

This Information Disclosure Statement is believed to be timely in that it is being submitted under 37 CFR §1.97(b)(4), that is, before the mailing of a first Office action after the filing of a request for continued examination under § 1.114. Thus, no petition or fee is required. However, if the undersigned representative of Applicant is in error in this regard, then the Examiner is requested to consider this IDS as filed under §1.97(c) and is further authorized to charge any fee required by its filing to Berry & Associates P.C.'s Deposit Account No. **50-3102**.

Respectfully submitted,

BERRY & ASSOCIATES P.C.
